OUR WEEK WITH

# One Busy Bee

TOGETHER  
TIME

**This week**, let's read books about bees.  
Find this one at your library or on YouTube:

**The Beeman**

## In & Out Honeycomb

### What?

In the story of the week, we learned about the busy work of bees. Pretend an egg carton is a honeycomb and explore filling it with "pollen" (cotton balls).

### How?

Set out an empty egg carton. Toss cotton balls all around the room. Encourage your child to buzz around, pick up the cotton balls and put them in the egg carton.

### Why?

This activity supports gross motor skills as your child walks, bends down and stands up to gather the cotton balls. It also helps your child learn about what bees do and how they survive.
